## NLS 22 VARMINT KIT

Designed specifically for the backyard plinker and .22LR varmint hunter, the NLS 22 Varmint suppressor was born with your budget in mind. For the average rimfire shooter, the cost of a small suppressor is still steep. Therefore we set out to design a cost friendly, serviceable, but yet effective suppressor for the majority of .22LR shooters.

### What's in the Kit

- (1) NLS-22 Varmint Suppressor
- (3) Total Baffle Stacks (1 installed, 2 spares)
- (1) Mounting Hardware Kit

## KEY FEATURES:

- **BUDGET-FRIENDLY, HIGH PERFORMANCE:** ENGINEERED FOR THE AVERAGE .22LR USER, COMBINING PRICE AND PERFORMANCE IN ONE COMPACT PACKAGE.
- **SERVICEABLE DESIGN:** EASILY DISASSEMBLED TO REPLACE WORN BAFFLE STACKS—NO TOOLS REQUIRED BEYOND THE SUPPLIED MOUNTING SCREWS.
- **DURABLE CONSTRUCTION:**
- **HARD COAT ANODIZED ALUMINUM MOUNT/BLAST CHAMBER**
- **3D-PRINTED CARBON FIBER BAFFLE STACK**
